Sir :

In accordance with the duty of disclosure under 37 C.F.R. §1.56 and §§1.97-1.98 and supplemental to the Information Disclosure Statements that were previously filed on January 5, 2005, July 3, 2003 and April 29, 2002, and with the concurrently filing of a Request for Continued Examination ("RCE"), the examiner's attention is respectfully directed to a Notice of Opposition that was mailed on April 23, 2004, with respect to patent family member Japanese Patent Application No. 2001-026646, together with English language translation of the same, in which the following documents were cited:

1. Japanese Laid-Open Patent Publication No. 2001-028655, together with an English language abstract and an English language translation of a relevant portion thereof. Applicant notes that this document, without the translation of the relevant portion, was called to the Examiner's attention in the Information Disclosure Statement that was filed on July 3, 2003.
2. Japanese Laid-Open Patent Publication No.2000-244694, together with an English language abstract and an English language translation of a relevant portion thereof.
3. Japanese Laid-Open Patent Publication No. 09-204515, together with an English language abstract and an English language translation of a relevant portion thereof.
4. Japanese Laid-Open Patent Publication No. 11-341065, together with an English language abstract and an English language translation of a relevant portion thereof.

The relevance of these documents are set forth in the Notice of Opposition. Applicant respectfully requests that the Examiner consider the above material and cite the same. Copies of the above-noted foreign language documents are attached hereto and listed on the attached PTO-1449 Form. Copies of the Notice of Opposition and its English language translation are also attached hereto. The Examiner is requested to initial the appropriate spaces on the attached Form and to return a copy of the completed Form to Applicant with the next official communication in the present application.

Further, U.S. Patent Nos. 6,426,946 and 6,880,019 are listed on the PTO-1449 Form. As noted in the Reply filed November 8, 2005 these patents issued from pending applications brought to the Examiner's attention in the IDS of April 29, 2002. Copies of the U.S. Patents are not provided as they are no longer required.

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully Submitted, William Pieprz
